DOME

VS

SLOPE

Your ring face appears to slightly hover above the rest of the ring, creating definition.

Your ring face connects in a seamless arch to the sides of your ring, including stone belts.

STONE

ENHANCEMENT

You have built something special this season—now let us do the same. Add incredible depth to your ring with design capabilities you can't find anywhere else. We'll work alongside you to create a custom ring that stands apart from all others.

PAVÉ MOUNT

Mount your custom stone designs into a unique pavé stone panel.

CREST MOUNT

Mount a logo or other custom design to your ring top.

EXCLUSIVE REVERSE MOUNT

Choose a reverse-mounted stone shape to show from below the surface of the ring face.
